

REMINDER:

We will be holding a Pre School evening on
Monday 27th November 2017 at 6pm.

You are invited to come along and hear what we do within the Pre
School curriculum and how to help your child to get ready for school.

Dear Parents and Carers

Last month the children had a great time in forest skills going on autumnal walks where they collected conkers and leaves. We have also explored fruit and vegetables in the 'Fruit and Veg shop', exploring their weight and size, before using them to create some beautiful artwork.

We are about to get busy with the approach to the festive season so November and December are combined. We don't want to give too much away in order that you have some lovely surprises.

Our theme for November and December is: **Festivals**
