Dear Parents and Carers

1st March 2018

In February the children enjoyed learning about Valentine's day and talking about people we love, making and eating yummy pancakes on the gas stove outside in Forest skills and we also learnt about Chinese New Year, and watching videos on how it is celebrated as well as using chopsticks to pick up food in our role play area.

Next month we will be continuing our celebrations with Mother's day and Easter. We will be identifying our own name and practising writing the letters.
