

WHAT IS TINY TENNIS

Tiny Tennis provides the first steps in helping pre-school children with sport & physical exercise through tennis.

The children's experience will involve playing and exploring, active learning, creating & thinking & having fun.

GSMTA/Tiny Tennis will focus on Communication and Language skills, Physical Development, Personal Social & Emotional Development, as part of the national EYFS (Early Years Foundation Stage).

Our unique coaching programme in over 15 Pre-Schools in Somerset Wiltshire and Dorset, links our Tiny Tennis Programme into any current pre-school syllabus.

We would like to offer your pre-school or nursery a FREE taster or demonstration of what GSMTAs Tiny Tennis can bring to your childcare business.

A SELECTION OF OUR PRE-SCHOOLS & NURSERYS

in

Somerset Wiltshire and Dorset
